## RADIO VEST

ART.NO: 120230

Sacci Radio Vest is a product in our assortment developed in close collaboration with users with demands on ergonomics and modularity.

The vest has a removable belly plate that can be easily put on and off with Fidlock buckles and is designed with a Molle system that enables the attachment of many different accessories such as holsters for com radios, holsters for handheld computers, small bags etc.

Holster Art.no. 120232 Weight: 70 g

Belly plate Art.no. 120231 Weight: 150 g

WEIGHT: 400 g

Adjustable in shoulders and chest circumference. Back part in a ventilating mesh which gives the vest good breathability.
