

# MULTIPAC Rapid Bag Small SAH

Article Number: 120697

MULTIPAC Small is our medical bag where you have an optimal overview over the content of the bag in an emergency situation. The bag has a modular system that allows you to choose which partition wall from the assortment that fits according to your specific needs.

The new material makes the bag durable and easy to wipe off and clean.

MEASUREMENTS (BxHxD): 310x250x160 mm

WEIGHT: 1 350 g

Fidlock buckles for easy and quick opening. Handle for carrying and shoulder strap. Inner walls and partition are purchased separately.
