

MEDPAC Emergency Bag Large SAH

Article Number: 120692

MEDPAC Large is our biggest emergency bag.

It has room for two inner walls and a middle partition wall and has a modular system that allows you to build the bag yourself according to your specific needs. The new material makes the bag durable and easy to wipe off and clean.

MEASUREMENTS (WxHxD): 380x510x270 mm

WEIGHT: 2 200 g

Main compartment, three pockets with zipper, place for needle canister and pocket in the back for computer/tablet or documents. Inner walls and partition are purchased separately.

HOW TO ORDER:
