

# MULTIPAC Rapid Bag Medium SAH

Article number: 120698

MULTIPAC Medium is our medical bag where you have an optimal overview over the content of the bag in an emergency situation. The bag has a modular system that allows you to choose which partition wall from the assortment that fits according to your specific needs.

The new material makes the bag durable and easy to wipe off and clean.

MEASUREMENTS (WxHxD): 360x300x160 mm

WEIGHT: 1 650 g

Fidlock buckles for easy and quick opening. Handle for carrying and shoulder strap. Inner walls and partition are purchased separately.
