

MEDPAC Emergency Bag Large SAH

Article Number: 120692

MEDPAC Large is our largest emergency bag.

It has room for two inner walls and a middle partition wall and has a modular system that allows you to build the bag yourself according to your specific needs. The material makes the bag durable and easy to wipe off and clean.

MEASUREMENTS (WxHxD): 380x510x270 mm

WEIGHT: 2 900 g

HOW TO ORDER:

Main compartment, three pockets with zipper, place for needle canister and pocket in the back for computer/tablet or documents. Inner walls and partition are purchased separately.
